

Budget Engineering Services CC

Manufacturing of pre cut shim since 2002

BES Shim Kits are available in 15 different combinations to choose from. Supplied in the tough, protective hard cases - designed with an automatic pressure equalization valve, a watertight silicone O-ring lid, comfortable over-moulded rubber handles, stainless steel hardware and padlock protectors.

Each kit contains its own unique set of shims, nested perfectly into clearly marked slots, ensuring fast and accurate availability when needed on site.

All kits available in 300 & 400 Series stainless steel pre-cut shims

** Refill by purchasing individual shim packs.

A=50 B=75 C=100 D=125 E=200 F=150 (Size in mm)
